Foreword

This annual is the farewell gift from the class of '41 to the faculty, parents, classmates and the Alumni of Union School. It may not be of great value now but we hope that this will be a priceless and an enduring souvenir of our high school days to which we in later years may turn to renew again old memories.

It is not for us to judge whether we have reached our goal or not. Rather it is for the reader to decide in future years.

In Memoriam

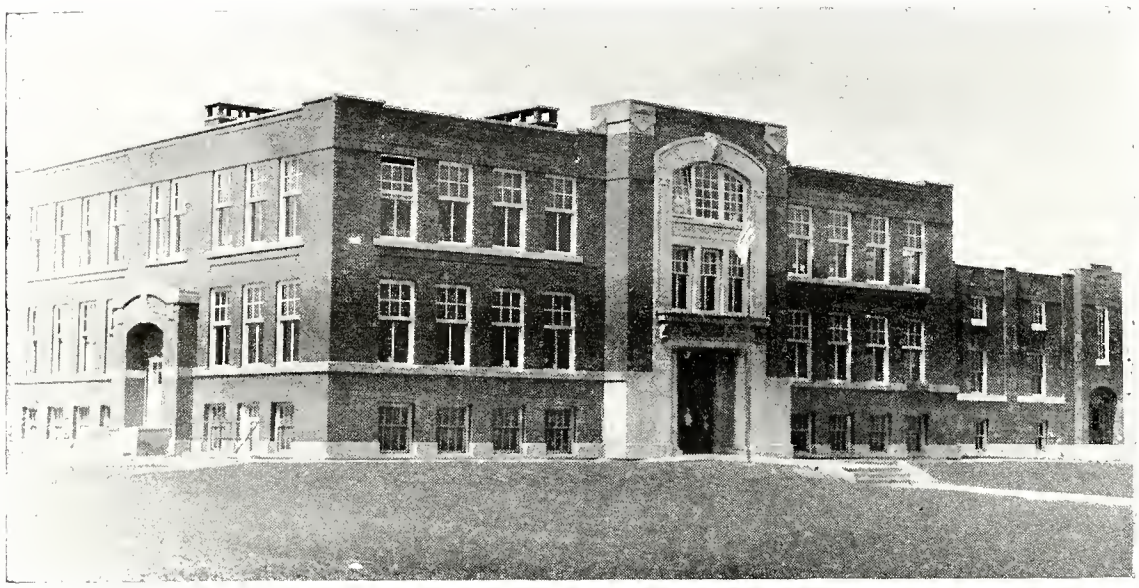
Agnes Bauer 1922-1933 William McCoy 1922-1938

We the class of nineteen hundred forty-one do hereby pay tribute to two former classmates, Agnes Bauer and Billy McCoy who during our school days have gone to their infinite peace. Agnes left us while we were in the third grade. Billy said good-bye in our freshman year.

These two dear classmates left their impressions not in presence, books and things, but in the hearts of the many classmates with whom they came in contact. We all mourned their passing yet are assured that they will live in our memories.

On the fair pages of this book
Two names we fain would trace,
As memory recalls to us,
These well-loved schoolmates' faces.

Though scarce embarked upon life's road,
Death beckoned them away;
But in our hearts they are enshrined,
These friends, lovable and gay.



OUR SCHOOL

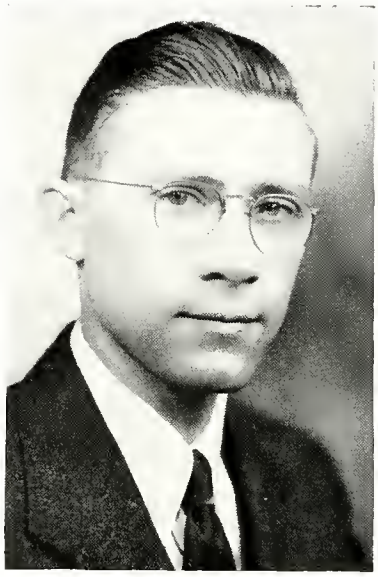
Union Township School was built in 1916. It was the first centralized school in Van Wert County and for a number of years accepted students from what is now the Hoaglin-Jackson school district. In 1936 the addition of a modern gymnasium and auditorium was completed. Part of the old gymnasium was remodeled for a shop. In 1940 another remodeling took place to accommodate both classroom and shop for a vocational agriculture department. Shrubbery has been added and we now have a school of which we are justly proud.

SCHOOL SONG

With our banners waving ever, U. H., U. H., Rah.
We will always fight forever, Union; Union; Rah, Rah, Rah, Rah.
We will always wave the banner of our dear old school.
We will always fight, fight, fight, for that's our rule.

Administration

Co. Supt C. L. Shaffer



Supt. P. G. Weiler

Much credit is due the men presented on this page; the Board of Education for its unselfish efforts in representing the people in making our school possible, Mr. Shaffer for his supervision of the county system and Mr. Weiler for his work as head of our school.

SENIOR'S HISTORY

Class Motto—"Build for character not for fame"

Colors—Scarlet and Silver Flower—American Beauty Rose

Yes, as seventeen seniors we enjoy answering to the title "Seniors," and soon we will move on to make way for the oncoming Juniors. To the community at large we shall be just another graduating class, the class of "'41."

Seven graduates, namely; Catherine Hunter, Violet Fiock, Gerald Reid, Robert Whitaker, Dale McOmber, Eugene Taylor, and Earl DeLong began their school life back in 1929 as first graders under the tutelage of Mary Bowers. We traveled on and upward and had added four more to our number before entering high school. Betty Mace, Neva Mae Rice, Alice Ehman, Fred Ehman, Ernest Rickard, and Burton Hoblet were the new classmates. When as freshmen, we entered high school, we held high hopes of making our class one of the best in the history of our school. Since not all of us were interested in the same fields of achievement, some concentrated on scholastic endeavors, some strived for athletic laurels and still others took up the art of music.

The highlight of the Sophomore year was the annual Freshman Sophomore Initiation Party. Two new classmates were enrolled during this year, Mildred Thompson from Payne High School and Eleanor Dumar from Grover Hill High School.

Our Junior year began a new day for us and we began to take the responsibilities assumed by upper classmen. The play "This Night Beware" was presented by the more dramatic students. We also enjoyed giving the Seniors a banquet.

This, our Senior year, is a climax of twelve years of hard work. Under the very capable leadership of Dale McOmber, we feel we have accomplished much with our year filled with parties, festivals, plays and many other good times.

We are now Seniors about to depart from school and cast our ship on life's rugged sea. Although our hardships, trials and troubles have been many we all have enjoyed our twelve years of school together.

"Looking Through the Crystal Ball"

Sitting in the parlor of my ranch house I decided to look into my make believe crystal ball and see if I could pick up the trail of the classmates of my school days.

At first all was hazy and dark but at last I could see a huge motor truck roaring along the road with Fred Ehman at the controls delivering some cattle to the ranch of Senator Dale McOmber.

Then the scene changed to a clean hospital in Detroit where Violet Fiock, a nurse, was caring for Ernie Rickard, a mechanic at Henry Ford's plant, who was injured when an airplane piloted by Eugene Taylor accidently hit him in a freak accident. Neva Mae Rice, Ernie's fiance, was hysterically standing by.

Finally familiar scenes came across the hazy crystal and I see Earl DeLong teaching Vocational Agriculture and Catherine Hunter teaching Home Economics at dear old Union.

As the scene shifts again I see a neatly decorated beauty salon in Convoy with Eleanor Dumar and Alice Ehman working feverishly to get Mildred Thompson's hair fixed in time for her wedding to Lester Goings, a Master Farmer.

Suddenly the vision fades and then the fog lifts and I see Betty Mace, an attractive waitress, in a clean and prosperous looking restaurant waiting upon Joann Dixon, a prominent actress from Hollywood.

Now the scene changes to the dug-outs of the "Toledo Mud Hens" where Robert Whitaker, a big league pitcher, is giving advice to Gerald Reid and his boys who are seeking the National Baseball Championship.

And now everything goes black and grows hazy but those memories of my pals and classmates of Union will always linger with me.

JUNIOR'S CRUISE

This year found us starting out on a yacht good enough for a king. It was bravely flying our colors, gold and blue, and our motto, "You live but once, so make the best of life," was painted in huge black letters on her gleaming white starboard. Our fourteen members were under the guidance of Captain Lois Ruth Borden; First Mate, Beryl Grubaugh; and Second Mate, Donna Dumar. On board our special guest of honor was Miss Mary Tennell.

We sailed out of the port amid laughter and the cries of "Bon Voyage." We were off for the South Seas, and that land of beauty and romance. Several times during our voyage we had to stop to refuel and replace broken parts but that didn't bother us for there was always a skating rink near at hand where we could make the best look to their laurels.

But things worse than this were to come. As we were entering the South Seas we got caught in a terrible hurricane (semester exams). Our staunch little vessel braved the storm wonderfully, although many of us were shut in our cabins for a few days. Several other mere squalls passed our way but we took no notice of those. Finally we reached our destination—Bermuda. A wonderful place it was but imagine our dismay when one of our passengers, Carl Foust, was met with a telegram telling him to take the fastest plane back to the states. Many days he had been with us and we hated to see him leave, but we gave him a gay farewell party and saw him to his plane. That left us with thirteen members. Unlucky? Not for us. We got busy and made even the natives wonder at the way we could play basketball, sing and, above all, give banquets for—what do you know? We met our old friends the senior class, and we were so glad to see somebody from home that we entertained them royally. Thus ended our trip and we were ready to start back for the final voyage—that of our senior year.

SOPHOMORE CHATTER

The Sophomore Class started out the new year with Carl Cook as president, Ronald Rase as vice president and Glenn Knerr as secretary-treasurer. At the beginning of the term we found that we had a new classmate, Mary Berniece Woods. Several weeks later another joined us, Robert Cooke, from Rhode Island.

We had happy times at our skating parties and house parties. There were also unhappy times, better known as exams which came up at regular intervals. Two of our members were honored with scholarship letters for earning places on the county scholarship team. They were Glenn Knerr who took first place in Biology and Ruth Mefferd with second place in Sophomore English.

We are all looking forward to next year when we will greet each other as juniors and take part in junior activities.

THE FRESHMEN

On the bright sunny day of September 9, 1940, a group of seventeen "shy" students entered the large assembly to be stationed there for the school year.

Our class organized by electing these officers: Dorothy Douglas, President; Laurene Dumar, Vice President; Phyllis Hoaglin, Secretary-Treasurer; Edna Murphy, Reporter. Mr. Bailey was our sponsor.

After a few weeks of study, we were greeted by a group of jolly Sophomores at the home of Ruth Mefferd for a hale and hearty initiation party.

We were unfortunate, however, to lose three classmates between November and January. George Hembrecht quit school to move to Indiana. Earl Rickard moved near Detroit where he is continuing his schooling. Doris McCandlish left us in January and moved to Tiffin, Ohio. We were sorry to lose them because it left our class with an enrollment of fourteen (seven boys and seven girls).

As one of our English projects, Mr. Schafer had us each write an essay on "Lincoln and the Constitution" to compete in a State Contest. Two essays, one girl's and one boy's were selected from each class. Ours were Laurene Dumar's and Ersel Rice's.

Throughout the year several roller skating and house parties were enjoyed by the class.

BOYS' GLEE CLUB

The Boys' Glee Club under the direction of Mr. Schafer, our new director has developed during the year into a fine choral group. We met every Tuesday and Thursday for rehearsal. The club as a whole has been active during the year singing for Farmers' Institute and various school programs. Various members of the club have also taken part in community affairs with solos and quartets. We competed with the other schools in a county contest at Hoaglin-Jackson. Lester Goings placed first in tenor solo competition with a rating of II., the quartet also placed first with a rating of II., it was composed of Lester Goings, Earl DeLong, Gerald Reid and Beryl Grubaugh; the Glee Club received a rating of II— and Eugene Taylor a rating of III for his Bass solo. Considering our inexperience in competition work we were well pleased with our standings and hope to enter district competition next year.

GIRLS' GLEE CLUB

The Girls' Glee Club is composed of a group of our musically inclined high school girls. During the year we sang at the Farmers' Institute as well as various school programs such as Thanksgiving, Christmas and Easter. Members also participated in community programs in quartets and trio work. At the county musical contest held at Hoaglin-Jackson we received a rating of II while our girls' trio composed of Ruth Hoaglin, Ruth Mefferd and Margie Mason received a rating of II—. A rating of I indicated Superior; II Excellent; and III Good.

Our director was Mr. Schafer and our accompanist, Donna Dumar.

MIXED CHORUS

On Friday of each week during the school year the Mixed Chorus met under the direction of Mr. Schafer. It was composed of interested members of the Girls', and Boys Glee Clubs. We sang for the Farmers' Institute, Thanksgiving, Christmas and other school programs. In the County Musical Contest at Hoaglin-Jackson we received a rating of Excellent tying with Wren for first place in the Class CC choruses.

The Glee Clubs and Chorus combined to present an operetta, "An Old Kentucky Garden" on May ninth. This was the musical climax of the school year.

THE BAND

The band this year has been under a new instructor, Mr. Schafer. It started the season with last year's members. Since then several others have purchased instruments and have joined the band until now we have twenty-one members. The band has been quite active. We played for the home basketball games adding to the spirit and enjoyment of the games. We participated with the rest of the county schools in the Band Festival held at Willshire on April 16th.

The Union Band for the first time in its history will play in the Van Wert Peony Festival Parade, joining with the York Band. We hope that this will be a beginning from which we can go forward to an entry of our own in the future. The fine services rendered by Mr. Schafer throughout the year were greatly appreciated by all.

The activities of the Girl Reserves enjoyed during the year were: a "Kid" party, F. F. A. party, skating parties, and a Penny Carnival.

FUTURE FARMERS OF AMERICA

This year the organization Future Farmers of America was introduced into the Union School. This is a part of the vocational agriculture program. Our adviser, Mr. Cassell, had to start the boys from rock bottom. He explained the importance of the F. F. A. to us as young farmers.

Our first meeting, held on September 26th, at the school was for the election of officers. Much credit is due these officers for their fine work during this first year. President, Earl DeLong; Vice President, Robert McCoy; Secretary, Harold Eddy; Treasurer, Donald McOmber; and Reporter, Ronald Rase.

A committee selected on October 24th drew up a constitution and a program for the year. Funds for the use of the chapter were earned by the sale of junk and wire. The money has been used for the improvement of our club.

All F. F. A. chapters in the county participated in a Pest Hunt as a means of helping make their communities better. The purpose was to destroy harmful rodents such as rats, mice; crows and sparrows. Our chapter worked very hard but did not win the county banner.

On February 3, 1941 we participated in a district contest in Parliamentary Procedure and were very well pleased with our standing.

The climax of the year's events was the Parent-Son Banquet held on April 4th. About seventy-five parents, members and friends attended. A trip is being planned for this summer.

BASKETBALL

Even though the Boys' Basketball Team did not reach the peak as champions this year, they did enjoy a fairly successful season. With only two lettermen, Gerald Reid and Robert Whitaker returning as a nucleus the team got off to a poor start by losing their first five games. It was about this time the best combination games were victories and the team played good ball the rest of the season with a final record of seven wins and eleven losses. Robert Whitaker, long shot artist and Marhl Flickinger, rangy sophomore, held down the guard positions; Earl DeLong, lanky senior and Bob McCoy, small and fast, played at forwards. Beryl Grubaugh, Eugene Taylor, Donald Hoblet, and Ronald Rase saw much action and along with "Snake" Cook made up the first ten. Gerald Reid and Earl DeLong were elected captains at the close of last season. Scoring honors for the year went to Reid with a total of 150 points. He was closely followed by DeLong with 124, Whitaker with 122 and McCoy with 110.

At the tournament our first game was with Willshire. We lost this game and because of the double elimination we played Middle Point. Although we won from Middle Point we were defeated by Hoaglin-Jackson. This put us out of the tournament.

Although we lose valuable material in our seniors we hope for a good season next year by our seasoned underclassmen.

Girls' Athletic Association

In its infancy, but already promising to be one of the strongest organizations in our school, is the Girls' Athletic Association. Under the direction of Miss Tennell, girls' physical education instructor, the G. A. A. made its debut into the Union High School realm just before Christmas.

Any Union High School girl interested in athletics is eligible to become a member of G. A. A., whose activities include speedball, volley-ball, basketball, softball, tumbling, table tennis, horse shoe, skating, newly formed constitution is the road to membership. Following is the pledge taken by each girl at the time of her initiation into the association:

"I do solemnly promise to take an active part in the Girls' Athletic Association of Union Centralized High School and to do all in my power to promote its best interests."

G. A. A. members shall be given awards in the form of letters and emblems. Each girl who earns 300 points or more in G. A. A. activities shall be presented with a letter "U," and those earning between 300 and 600 points receive a winged-foot emblem.

One feature in the schedule this year was the participation in the Play Day activities at Convoy High School with Convoy girls as hosts. As the school year draws nigh, activities are centered around the seniors, who shall be remembered with a banquet—an event which we hope shall become an annual custom.

Officers for the year 1941-42 are: president, Ruth Hoaglin; vice-president, Lois Taylor; secretary, Margie Hunter; treasurer, Virginia Brewer; and sponsor, Miss Mary Tennell.
